

The candidate of member of the Company's Board of Directors

Agus Efendi

An Indonesian citizen, he was born in Ponorogo, on September 5, 1970. He obtained his bachelor degree in Mining Engineering from Pembangunan Nasional University (UPN), Yogyakarta and Master of Science in Natural Resources and Environmental Management from Lambung Mangkurat University, Banjarmasin.

He joined the Company in 2010 as the Head of Asam Asam Coal Project, located in South Kalimantan, owned by PT Arutmin Indonesia. In the middle of 2012, he was appointed as the Head of Bengalon Coal Project in East Kalimantan, owned by PT Kaltim Prima Coal.

He has been serving as the Company's Chief Operating Officer since October 1, 2013, and his extensive knowledge in the field of coal mining operations is obtained due to his 20-year experiences working with various well-known mining contractors. He was introduced for the first time to the coal mining field when he worked at PT Gunung Bayan Pratama Coal Muara Tae in East Kalimantan (1998) as a Mining Supervisor and Coal Quality Supervisor. Following this, he worked at PT Thiess Indonesia, a mining company with international reputation, from 2000 to 2010. There, he started working as a Project Engineer (2000-2001) and ended it with the position of Deputy Project Manager (2008-2010) for Senakin Project.

His knowledge in mining field is further expanded through his participation in various training activities and his visits to several projects and exhibitions, as well as to mining tools manufacturers, both domestic and overseas.
